## DRAPER JOINS KOFFEL ASSOCIATES

Koffel Associates, Inc. is pleased to announce the addition of Lee Draper as a Fire Protection Engineer. Mr. Draper is a graduate from the University of Maryland with a BS in Fire Protection Engineering and a BS in Mechanical Engineering. Mr. Draper most recently worked for two years as a Lead Mechanical Engineer for a U.S. Government Contractor. He has work experience in both the public and private arena and was awarded his E.I.T after passing the Fundamentals of Engineering Exam. He is a graduate of College Park Scholars Environmental Studies program and a member of the prestigious Salamander Fire Protection Honor Society.

### ABOUT KOFFEL ASSOCIATES

Koffel Associates is a small business, fire protection and life safety engineering design and consulting firm, recognized as an expert in the fire protection and life safety aspects of codes and standards. Headquartered in the Baltimore-Washington metropolitan area, Koffel Associates' 20 Fire Protection Engineers provide consulting; engineering design & construction administration; codes & standards development; seminar development & training; product testing & evaluation/representation; and litigation support to public and private clients worldwide. Since 1986, Koffel Associates' team of industry leaders and staff—fire protection engineers; registered engineers; NICET-certified technicians; code officials; and authorized National Fire Protection Association (NFPA), Centers for Medicare & Medicaid Services (CMS) and International Code Council (ICC) trainers—have met the design and consulting needs of its clients.
