WRIGHTSON PASSES P.E. EXAM

With **National Council of Examiners for Engineering and Surveying** posting only a 52% pass rate for first-time takers, **Koffel Associates, Inc.** is pleased to announce that first-time taker **Shaun K. Wrightson** passed his Principles and Practice of Engineering Exam in Fire Protection, thereby earning his Professional Engineer (P.E.) designation.

Wrightson completed his **Bachelor of Science in Fire Protection Engineering** from the acclaimed Fire Protection Engineering Department at the University of Maryland, College Park, Maryland, started as an intern in May 2006 and became a fulltime employee with Koffel Associates in October 2007. Since 2006, **Wrightson** has acquired significant experience in the application of government and national fire protection and life safety standards to existing and new facilities to include plan review, healthcare Statement-of-Conditions survey and analysis to evaluate compliance with *NFPA 101*[®], general fire protection code consulting, research, hydraulic calculations, and fire protection systems design. **Wrightson** is a member of National Fire Protection Association (NFPA), and the Society of Fire Protection Engineers (National and Chesapeake Chapter).

ABOUT KOFFEL ASSOCIATES

Koffel Associates is a small business, fire protection and life safety engineering design and consulting firm, recognized as an expert in the fire protection and life safety aspects of codes and standards. Headquartered in the Baltimore-Washington metropolitan area, Koffel Associates' 21 Fire Protection Engineers provide consulting; engineering design & construction administration; codes & standards development; seminar development & training; product testing & evaluation/representation; and litigation support to public and private clients worldwide. Since 1986, Koffel Associates' team of industry leaders and staff—fire protection engineers; registered engineers; NICET-certified technicians; code officials; and authorized National Fire Protection Association (NFPA), Centers for Medicare & Medicaid Services (CMS) and International Code Council (ICC) trainers—have met the design and consulting needs of its clients.
