KOFFEL ANNOUNCES NEW HIRES

Koffel Associates, Inc. is pleased to announce the hiring of Mohamed Mushantat, as Fire Protection Engineer, Christopher Streckfus as CAD Operator, and Melanie Bailey, as Marketing Coordinator.

Mushantat received his Masters of Engineering in Fire Protection Engineering at the University of Maryland in 2014 and earned his undergraduate Bachelor of Science Mechanical Engineering Degree at the University of Aleppo, Syria. For six years he served as Project Manager with National Fire Fighting Company (NAFFCO) in Doha, Qatar and Dubai, United Arab Emirates, and for four years as Project Engineer with TYCO Fire & Security in Abu Dhabi, United Arab Emirates. A member of the Society of Fire Protection Engineers, National Fire Protection Association, and International Association of Arson Investigators, he also earned his PMI Project Management Professional Certification in 2013.

Streckfus, a graduate of University of Maryland, began his career in Computer Graphics and more recently, achieved his A.A.S. in CADD for Architecture and Engineering from CCBC, Catonsville, MD. He achieved his AutoCAD Operators Certificate, CAD Management Certificate, CAD/Mechanical Modeling Certificate and CAD Architecture Certificate.

Bailey, a California Rosamond High School graduate, has on the job training and marketing experience for 5 years in retail, 2 years in healthcare, and 12 years in the engineering field. Most recently she was with Greenhorne & O'Mara, acquired by Stantec, for 8 years as an Assistant Marketing Specialist and Tradeshow Coordinator.

ABOUT KOFFEL ASSOCIATES

Koffel Associates is a small business, fire protection and life safety engineering design and consulting firm, recognized as an expert in the fire protection and life safety aspects of codes and standards. Headquartered in the Baltimore-Washington metropolitan area, Koffel provides consulting; engineering design & construction administration; codes & standards development; seminar development & training; product testing & evaluation / representation; and litigation support to public and private clients worldwide. Since 1986, Koffel Associates' team of industry leaders and staff—fire protection engineers; registered engineers; NICET-certified technicians; code officials; and authorized National Fire Protection Association (NFPA), Centers for Medicare & Medicaid Services (CMS) and International Code Council (ICC) trainers—have met the design and consulting needs of its clients.
