KOFFEL ASSOCIATES ANNOUNCES PROMOTIONS

Koffel Associates, Inc. is pleased to announce the following promotions:

Sarina L. Hart, P.E., to Manager, Fire Protection

Joshua W. Talley, P.E., employed both part time and full time since 2004, to Senior Fire Protection Engineer

Mark H. Buschman, P.E., employed fulltime since 2006 to Senior Fire Protection Engineer

Tiffany A. Cates, P.E., employed fulltime since 2008, to Senior Fire Protection Engineer

Hart, a University of Maryland Fire Protection Engineering graduate, joined Koffel Associates as a Senior Fire Protection engineer in 2008. She worked part time until 2014 when she became a fulltime employee. She passed her Principles and Practice of Engineering Exam in Fire Protection, thereby earning her Professional Engineer (P.E.) designation, in 2011.

Talley, a University of Maryland Fire Protection Engineering graduate, joined Koffel Associates in 2004 as an Intern while attending the University. Upon graduation in 2006, he joined the firm fulltime as a Fire Protection Engineer. He passed his Principles and Practice of Engineering Exam in Fire Protection, thereby earning his Professional Engineer (P.E.) designation, in 2011.

Buschman, a University of Maryland Fire Protection Engineering graduate, joined Koffel Associates upon graduation in 2006 as a Fire Protection Engineer. He passed his Principles and Practice of Engineering Exam in Fire Protection, thereby earning his Professional Engineer (P.E.) designation, in 2011.

Cates, a University of Maryland Fire Protection Engineering graduate, joined Koffel Associates in 2008 as a Fire Protection Engineer, after working as a contractor at NASA Goddard Space Flight Center. She passed her Principles and Practice of Engineering Exam in Fire Protection, thereby earning her Professional Engineer (P.E.) designation, in 2011. In February 2014, Cates earned her Master of Science in Fire Protection Engineering from Worcester Polytechnic Institute.

ABOUT KOFFEL ASSOCIATES

Koffel Associates is a fire protection and life safety engineering design and consulting firm, recognized as an expert in the fire protection and life safety aspects of codes and standards. Headquartered in the Baltimore-Washington metropolitan area, Koffel provides consulting; engineering design & construction administration; codes & standards development; seminar development & training; product testing & evaluation/representation; and litigation support to public and private clients worldwide. Since 1986, Koffel Associates' team of industry leaders and staff—fire protection engineers; registered engineers; NICET-certified technicians; code officials; and authorized National Fire Protection Association (NFPA), Centers for Medicare & Medicaid Services (CMS) and International Code Council (ICC) trainers—have met the design and consulting needs of its clients.
